

Best for 30-80 mm depth
Super Mini channel letters & sign letters
3 years warranty

OP-FSFL2835-1260

S LED Flexible Strip Waterproof

Feature

- Super small size. Special design for small channel letters
- DC12V,5m one roll, every 3LEDs per unit to cut
- Powered by 2835 SMD LEDs. Low light decay.
- Energy saving, Environment friendly
- Long life span
- CE,ROHS approved

Application

- Mini Channel letter
- Mini resin letters
- Mini Light box lighting
- Mini Logo lighting

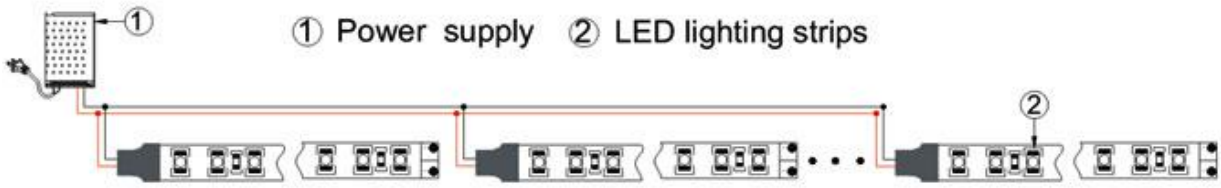

Product Picture

Technical Parameter

Part No.:	OP-FSFL2835-1260
LED Type:	2835 SMD LED
LED Quantity:	60pcs/m;600pcs/10m
Viewing angle:	120°
Lifespan:	50000h
Single LED Brightness /Luminous (lm):	24-28LM per LED
Available emitting Color:	Warm white:3000-3500K; Pure white:6000-7000K , Cool white:10000-12000K; RED; YELLOW;BLUE; GREEN
Working Voltage	DC12V
Power	7.2W/m;36W/5M
Driving Way	Constant Voltage
IP rank	IP65
Connect	Black & red combined wire, red wire is Anode, black wire is Negative electrode, The cable length is 150mm.
Length one roll	5m
Max in serial connection	≤10m
Material	FPC
Dimension	5000*6*2.5mm
Fixed Method	Tape
	3M
Working Temperature	-20℃ ~ +60℃
Storage Temperature	-30℃ ~ +60℃
Storage Environment	Indoor ventilation, Air should be no corrosive gas, and avoid direct sunlight
